OF CHATTANOOGA

Mission Statement

To enable all young people, especially those who need us most, to realize their full potential as productive, responsible, and caring citizens.

The Stake 'N Burger Dinner began in 1981 as a part of a continuing effort to recognize teen Club members who take an active leadership role and involve themselves in making their Club a better place for younger members and the community. The Dinner is also an opportunity for community support of the Club's programs, both morally and financially. Over the past 39 years, numerous relationships between our Leadership members and the adults attending the dinner have developed and over four million dollars have been raised to help provide a safe and fun environment, positive programming and caring adults and mentors.

SPECIAL ACKNOWLEDGEMENTS

KEYNOTE SPEAKER

Jeremy Pruitt

After two seasons leading Tennessee football, Jeremy Pruitt has left no doubt he is the man to get the proud program back on top. Pruitt's Vols authored one of the most impressive in-season turnarounds in the country in 2019, finishing with six consecutive victories and seven wins in their last eight games.

Introduced as the 26th head coach in Tennessee football history on Dec. 7, 2017, Pruitt took the helm of the Volunteers after collecting five national championships as an assistant and cementing himself as the nation's top defensive coordinator during stints at Alabama (2016-17, 2007-12), Georgia (2014-15) and Florida State (2013).

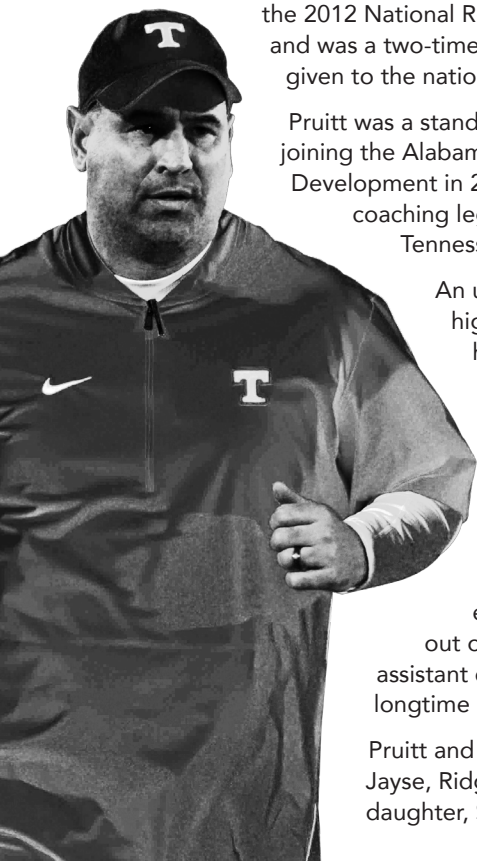

Pruitt has coached 52 NFL Draft selections, including 16 first-round picks and 20 All-Americans. He guided the nation's No. 1 defense in 2017, 2016 and 2013. Additionally, he was named the 2012 National Recruiter of the Year by 247Sports and was a two-time finalist for the Broyles Award, given to the nation's top assistant coach each year.

Pruitt was a standout high school coach before joining the Alabama staff as the Director of Player Development in 2007. He played collegiately for coaching legends Boots Donnelly, at Middle Tennessee State, and for Gene Stallings.

An underdog who was coaching high school football in 2006, he obtained his first on-field coaching position at the FBS level in 2010, Pruitt has quickly molded the Volunteers in his own image: Tough. Gritty. Relentless.

He is a teacher at heart, too, spending time as a physical education instructor right out of college while serving as an assistant coach for his father, Dale Pruitt, a longtime high school head coach.

Pruitt and his wife Casey have three sons, Jayse, Ridge and Flynt, and a newborn daughter, Shelby.
