OUR 2022 RECAP »

A Note From our 2023 Board Chair

Our organization has been serving Chattanooga youth ages 6-18 since 1955, and 2022 was the first year that we served over 3,000 children.

As we glance back, I am so very proud of our Club’s ability to grow and serve more children, more often, with excellence. A new Club site was established within the Hardy Elementary School located in the Glass Street neighborhood of Chattanooga, and almost half of the student body has joined the Club. We aggressively expanded our feeding program and expanded our family well-being support services. 2-new work-based internship programs were launched providing Hamilton County high school seniors with paid work experiences in youth development, accounting, finance and IT paid jobs. Over the last few years, 30+ Club Alumni have received funding and support from our endowed College Scholarship program.

Our 2023 priorities are laser focused on supporting Hamilton County Schools students, providing literacy and tutoring to students K-5, math & STEM to students 6-8, and college and career pathways for high school students.

On behalf of our entire Board, I thank you for your support of the Club, and I hope 2023 brings you and our kids much health and happiness.

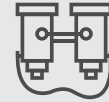

Barry VanDelinder, Jr., 2023 Board Chair
